## Chapter 1 by K4r7h

Ace walked up to the castle. He took a deep breath and looked each way. He pulled out his dagger and lifted his hood.

"Here goes nothing."

He took at least fifty steps back and dashed into the doors. The door guards were covered with the metal and wood debris from the door. Ace grabbed his crossbow and his dagger and got ready to shoot the bent wood on the roof. He shot it and the roof started to fall. He dashed out of the room and saw the castle fall and break.
